

Insurance Discount: 10/26/2007

Homeowners are eligible to receive up to a 20% discount on their homeowner's insurance policy if they meet certain security requirements. The deductions are separated into 5% for proper doors/windows/locks and 15% for correct alarm installation. The only persons that can conduct the security surveys are licensed peace officers that have completed a forty-hour crime prevention course. The City of Pearland has more than half of the officers certified to conduct such surveys.
