

Prevent Car Break-Ins: 11/11/2007

Recently there have been a number of car break-ins in the area. Briar Glen and Dixie Woods subdivisions were recently targeted. Approximately 15 cars were broken into and items were stolen. All of the cars that had items stolen were **UNLOCKED**. Stolen items included: iPods, computers, guns, and similar items.

The police did make arrests in this situation. The culprits were in the age range of 14 - 16 years old. However, this is not always the case where the culprits are apprehended.

In order to prevent or reduce the chance of this happening in Pine Hollow, please take precautions when parking your car in the street or in your driveway so it is not a target. Always remember to **LOCK** your car and take **ALL** valuables in or place items in the trunk. If possible park your car in your garage as much as possible.
