

## **CITY WORKS TO ID SHUT- INS**

The City of Pearland is currently in the process of identifying citizens who may need assistance evacuating from their home during a disaster.

If you have special health care or transportation needs, you need to make extra efforts to get ready for hurricane season. Please call the Office of Emergency Management at 281-652-1954 or dial 2-1-1 to register for a ride. You may also email your information to [jhawkins@ci.pearland.tx.us](mailto:jhawkins@ci.pearland.tx.us).

### **2-1-1**

Residents with special health care needs (including those who are disabled or medically fragile) who live in an evacuation zone and do not have friends, neighbors, or family to help in an evacuation should register for a ride in advance by dialing 2-1-1. Operators answering the phones at 2-1-1 are prepared to help you register for transportation and special assistance now. Do not wait until a storm is in the Gulf to register for assistance. This service is for people who cannot drive themselves or make transportation arrangements. Please forward this information to any other individual who may need assistance.
